

RBIEX – Joining Criteria

Joining RBIEX is easy. All members must satisfy the following criteria.

Technical Requirements

Each member must have: -

- A BGP v4 capable router.
- An AS (Autonomous System) Number for use in the RIPE NCC Service Region.
- Independent IP Address space.
- A delegated contact registered with the RBIEX registry.
- Registered all announced prefixes in the RBIEX registry.
- An interconnect cable to an RBIEX switch at the PoP of choice.

Membership Requirements

Each member must have: -

- Signed and returned the RBIEX MLPA (Multi-Lateral Peering Agreement).
- Signed and returned the RBIEX Membership Agreement.
- Read and understood the RBIEX Terms and Conditions.

RBIEX reserves the right to perform checks on any information provided as part of an application for membership. If any details supplied are false, RBIEX reserves the right to refuse membership. The RBIEX CoM (Council of Management) may also refuse membership for any reason, after due discussion and a majority vote.
